

*“Call for papers”*  
for the **Glastag**  
on Saturday, 9<sup>th</sup> of October, 2021  
in Amsterdam (hybrid)

Dear Colleagues,

the annual „Glastag“ is a possibility for archaeologists and glass researchers to exchange ideas about archaeological glass in an informal atmosphere: to present lectures, discuss with colleagues and also show original finds.

We hope to hold a hybrid meeting in Amsterdam. After the proposal and invitation of René van Beek we are looking forward to be guests at the “Allard Pierson - Collecties van de Universiteit van Amsterdam” (Oude Turfmarkt 127-129, [allardpierson.nl](http://allardpierson.nl)). In case that covid-regulations will become stricter until October, we will again turn to an online-meeting. In any case, we will keep you informed!

Proposals for papers are welcome for lectures of 20 minutes or notes of 10 minutes dealing with archaeological glass from Prehistory, the Roman, Medieval or Post Medieval Era. Not only new results but also ongoing projects or students' theses are of interest. Please submit the precise title of your presentation until **15.8.2021**. We will send the final programme at the end of August via email. If you wish to participate without lecture, please let us know until **15.9.2021**.

Planned Schedule on 9<sup>th</sup> October 2021

From 9.30 registration & coffee  
10.00 – 12.00 lectures  
12.00 – 14.00 lunch break  
14.00 – 15.30 lectures  
15.30 – 16.00 coffee break  
16.00 – 18.00 shorter notes / final discussion

Please feel free to distribute this Call for Papers.

We hope to see you, either in Amsterdam or online!
